- Old Business
  - After a lot of hard work by many including State Senator Lisa Baker, State Rep Karen Boback, your county commissioners, Tyler management and others, the PA Dept of Health (DOH) changed their rules concerning stand alone emergency rooms and Tyler Hospital was able to remain open. Although the name has been changed to Commonwealth Health Emergency and Outpatient Services Tunkhannock many of the services remain the same. The Emergency Department is open 24/7 with lab and X-ray/CT coverage 24/7. Outpatient laboratory services remain available Monday through Friday 7am-5pm. Many radiology services continue to remain available such as X-ray, cat scan, ultrasound, vascular, and MRI with appointment. The main number to the hospital remains 570-836-2161.

Proud dad moment, the Site Lead who is in charge of Tyler Hospital reporting to Regional Hospital

management is Erica Wilbur, RN-BSN. She has been appointed to take over this new position after having been in charge of the emergency room previously.
